The Friends of Volunteers in Medicine Clinic

Presents

All Jazzed Up

on Bourbon Street

VIM GALA 2018

January 27, 2018

Celebrating our supporters, volunteers, patients, and our community.

Thanking all who make sure the good times keep rolling at VIM Clinic!

Thank you to our Chairs

We're all jazzed up because
Dr. Osmar and Nancy Steinwald are chairing
this year's All Jazzed Up on Bourbon Street VIM Gala.
Dr. Steinwald, a plastic surgeon, has volunteered at
VIM Clinic since 2012 and Nancy Steinwald joined
The Friends of Volunteers in Medicine Clinic Board in 2015.
Their support is extremely valuable to us and
we thank them from the bottom of our hearts.

Dr. Osmar & Nancy Steinwald

Special Thanks from Howard E. Voss, MD

Dr. Howard E. Voss,
Medical Director, VIM Clinic

Your support of the Volunteers in Medicine Clinic makes the difference between inadequate medical care and extraordinary medical care.

While progress has brought us wonderful medical advancements, it has also brought increasing cost of care with fewer employers able to offer health care benefits. The working poor and indigent are most affected by this. But not in Martin County. The VIM Clinic is proud to serve the health care needs of those in our community who have no medical insurance or access to medical care. We have over 100 volunteers including 32 health care providers such as physicians, physician assistants, nurse practitioners, nurses, and lay personnel, who provide much needed medical care to 1,000 Martin County residents.

As a comprehensive medical facility, we provide complete care, laboratory, and diagnostic testing. Martin Health System and Diagnostic Imaging Services absorb the cost for the labs, diagnostics, therapies, and hospitalizations when necessary, at no charge to the patient. Specialists and surgeons consult and operate without a fee. Unlike walk-in clinics and ERs, the VIM Clinic provides initial, follow-up, and ongoing care, including preventive medicine.

Your generous support of the Volunteers in Medicine Clinic and tonight's gala event make our work possible. We thank you for your gift, because yours is the gift of life itself.

Words of Thanks from Mary Fields

Mary Fields,
Executive Director, VIM Clinic

Welcome to All Jazzed Up on Bourbon Street Gala. A big thank you to our 2018 gala committee for working so diligently to ensure tonight's success.

For the past 23 years, our volunteers have worked tirelessly to make the VIM Clinic the health care safety net for those in Martin County who have nowhere else to go. Each passing year brings new challenges, rewards, and joys. We are proud of the Clinic's success and steady presence in our community. An integral part of our continued success is our exemplary corps of volunteers, donors, and Board, who are truly committed to our mission. We thank you from the bottom of our hearts for your ongoing support.

The funds raised this evening will directly support the everyday care we provide people who are uninsured, and who cannot afford medical care. We are pleased to be able to provide ongoing care to 1,000 patients. While we have made great strides, there are so many others in the community who would benefit from our services. We are tirelessly working to increase the number of patients that we serve. Your generous support tonight truly helps us reach even more people who are in need.

Because of YOU, we're all jazzed up! We sincerely thank you for helping us keep the good times rolling at VIM Clinic.
